BILATERAL MEETINGS

Tuesday (13:00 - 16:00)

DESCRIPTION en-UNION was founded in 2005. Main discipline is domestic and international trade with machinery and electrical/electronic goods, as well as services related to industry, energy and mining. The goods portfolio is based on products of well-known international equipment producers, components and raw materials for industry, energy and mining, which we can deliver to our customers with minimal lead times.
