Bilateral Meetings

• Tuesday (13:00 - 16:00)

Description

Surtec-Eurosjaj's main activities include processes for surface metal protection, sales of chemicals for galvanotechnics, industrial degreasers, etc.

Surtec-Eurosjaj was founded in 1996 as one of the first 'joint venture' activities in BiH with the company SurTec International (Germany), one of the leading manufacturers of specialty chemicals for metal surface protection in Europe.

After 22 years of successful working, company today has 22 different surface protection technologies in one location, which makes us unique in wider region.

Surtec-Eurosjaj employs 350 people with continuous investment in education.

The company is located in the industrial zone of UNIS in Konjic, Bosnia and Herzegovina.
